

Specialist in the Spotlight

Dr Jos Jayarajan

FRACS
Urologist

Jos is a specialist trained in the management of female and male incontinence, voiding dysfunction and pelvic organ prolapse, bladder pain and urethral stricture disease. She utilises minimally invasive treatments whenever possible.

Jos also practices all aspects of general urology, including laser stone treatment, BPH, renal and bladder cancer.

Dr Jayarajan has permanent rooms in Mildura with the support of a local Mildura based Practice Nurse and Secretary to assist patients with enquiries, education and nursing care.

DR JOS JAYARAJAN IS ACCEPTING REFERRALS AND OPERATES AT THE MILDURA HEALTH PRIVATE HOSPITAL

A urologist is a specialist surgeon who treats problems of the kidneys, bladder, urethra and adrenal glands. They also deal with problems concerning male genitalia.
